

Fill in your LENS prompt

Print this sheet and draft your prompt by hand before you type it. Working on paper first forces you to supply all four LENS ingredients.

L: Lead with the persona

Which expert should the AI become?

E: Establish the context

Who are you, what is your role, and what is the project?

N: Name the task

The exact action you want, in strong verbs.

S: Set the constraints

Word count, tone, format, and anything to avoid.
